STRATHMORE DISTRICT SCHOOL FAIR MEETING

A well attended meeting of the Strathmore District School Fair Association was held on February 26th at the High School Strathmore.

It was decided to reduce the school entrance fee from \$15 to \$10 for 1934, and to confine competitive participation in the fair to school units only. Last year families could enter into certain contests upon payment of \$1 per family. It is hoped that the reduced fee will enable all schools in the district to join the fair again.

The price list was amended, and certain changes made to conform to present circumstances. It is doubtful as to whether the Provincial Government will be able to extend any financial grant this year, but it was learned at the meeting that they would donate the customary medals. This will prove to be a big aid, both financially and in inspiring exhibits. A feature was added to the Specials exhibits for School Journals or Publications, Mr. Norwood of Crosson School has inaugurated a school publication at Crosson, and it is anticipated that other schools will follow his example and exhibit their results at this year's fair.

It was also agreed that horse exhibits should include any pony or horse suitable for riding to school, irrespective of whether it is exhibited for that purpose or not, could be exhibited. It appears that in recent years the idea has become prevalent that only horses suitable for riding to school and of a stampede type could be shown. This is not the case, and this entry is open to all children, having an animal that is gentle and suitable for the purpose.

Following this the resolution to form a Community Club was passed at the previous meeting was further discussed and again endorsed. Some discussion took place as to the object and scope of the work to be attempted. Various suggestions were put forward, one being that it be a family group and not limited to women, this however was lost on the feeling that such group would grow too unwieldy and not accomplish the desired work.

into school purposes. It was announced that shields for obtaining the largest percentage in school work and agriculture were both won by Orange Valley School. This is a very creditable record.

In view of the fact that the Provincial Government is unable to furnish judges and generally unable to furnish the fair this year, which in the past has necessitated accepting their date, the fair is to be held earlier for the regular two days, and it is hoped that this will prove to be an inducement to greater exhibition of flowers and vegetables.

Mr. David McKay, the genial former secretary of the Association was a welcome visitor at the meeting and his advice was much appreciated. The executive was re-elected and are as follows: T. Schultze, president; J. A. Pender, vice-president; S. H. Crowther, secretary-treasurer.

CENTRAL EUROPE AND CANADA

With the newspapers and radio bringing daily messages of the exciting state of unrest in Central Europe every thinking person can not but tremble with the possibilities that may develop from the cloud which is now no larger than a man's hand.

Senator A. D. McInnes, who served with distinction in the World War, startled his hearers at Ottawa recently, when he stated in Parliament that in his opinion no Canadian life should be sacrificed on the battle fields of Europe. Senator McInnes will find a large number in Canada in most hearty accord with him.

If the people of Central Europe seethe and burn with hatred towards each other, it must necessarily be no quarrel of Canadians and we do not feel that in this we are our brother's keeper.

War with its tear gas, its poisonous waters, its insect infected areas, added to all the horrors of trench conditions is too diabolical to think of, and we have now learned from the East it does not heat the wrongs nor make the world safe for anything but the surety of leading to another holocaust.

Why should parents strive to instill into their children, ideals of uprightness, noble thoughts, positive, clean habits of living to have them later forced by a group of tyrannical, power loving humankind lacking money making powers to become fodder for cannon, victims of all the infernal horrors of war?

If our Dominion while still a part of the British Empire, but still also a self governing nation can not bring influence sufficient before the Canadian Government to take the stand that we as Canadians refuse to be entangled in the embroilments of European countries. But to be effective there must be more than words and so we suggest the following concrete action. Let each branch of the Canadian Legion, then whom none more worthy to lead the list, each church organization, and every fraternal organization sign a document, petition call it by what name you choose and send to Premier Bennett, Mr. McKenzie King and Mr. Woods.

Mr. Woods, who have agreed on the floor of the House in the cause of peace, stating their position in no uncertain terms that as for Canada she refuses to be embroiled in the strife of Central Europe. To make this more effective let each boy and man from the age of 12 to 50 years in the Dominion of Canada endorse the step already

taken by some students that they refuse to go to war on any foreign entanglement.

SUN LIFE ASSURANCE COMPANY

None of our large institutions cover a greater variety of beneficiaries than do the Life Insurance Companies. They are composed of people of large wealth and those of very moderate incomes. The Sun Life Co. paid out last year \$100,000,000 in benefits of various kinds to its policy holders, and their dependants. The sixty-third annual report published in last week's issue made very profitable reading. Mr. Arthur B. Woods has been appointed Pres of the Sun Life succeeding Mr. T. B. Macaulay. Mr. Wood stands high in the estimation of Actuarial Societies on the continent.

DALMEAD

The funeral service of Mr. Harry E. Portney, whose demise occurred early this month took place at the Armstrong Funeral Home in Calgary. The Rev. George A. Dickson, of the Knox United Church officiated and in a very fitting manner, delivered the sentiments of all those present when he touched on the life and character of the deceased. The service at Armstrong was very largely attended and the following noted amongst the tributes of floral remembrances given on the occasion: Mrs. K. Portney; Mrs. L. Portney; Mr. and Mrs. G. Portney; Mr. and Mrs. E. C. Hunter; Mr. and Mrs. M. Van Der Velde; Mr. and Mrs. O. M. Zink; Miss K. Walker; Mr. and Mrs. C. J. Watson; Mr. and Mrs. H. Baldwin and family; Miss Maud Marcus; Mr. and Mrs. Henry Pender; Mr. and Mrs. A. J. Wylie; Mr. and Mrs. Paulson and family; Dalmead U. F. A. and U. F. W. A.; P. B. Club Carveland; Mr. and Mrs. R. A. Bishop; Mr. and Mrs. A. T. Garton; Mr. and Mrs. G. D. Field; Mr. and Mrs. Oscar Moorhouse; Mr. and Mrs. H. P. Hebbes; Mr. and Mrs. L. A. Phillips.

A very considerable number of local farmers attended the grain show in Calgary recently and held in the Longwood Building and also the short agriculture course held in connection with the event. Of particular interest in the show rooms was the very prominent part played by the Junior exhibitors whose samples of grain occupied a considerable portion of floor space. Marquis and Howard wheats predominated amongst the exhibits shown and both sponsors and the growers are to be very heartily felicitated for the interest shown in this yearly event.

An event of interest locally was the debate between challenging teams of Carleton and Dalmead debaters and which took place in the community hall last Saturday evening. The subject for the occasion was Heredity vs. Environment, and those who took the platform for the visiting team were Mrs. H. Girdler, Mrs. Garner and Mr. Donald McKinnon, with the local and the negative side ably upheld by Mrs. L. C. Hiatt, Miss Anne Godfrey and Mr. Angus McKinnon. Mr. C. Colwell, president of the Dalmead U. F. A. ably officiated and kept the opposing teams apart while Rev. T. Forster, Mr. Oscar Moorhouse and Mr. Frank Fulton sat on the bench as judges, finally handing down a decision in favor of Carleton. The evening was featured with several musical selections and closed with a lunch served by the members of the U. F. W. A. Further debate on the subject of Heredity vs. Environment should take a ten year holiday, is being planned for a future date and will likely be held at Carleton.

Mrs. R. Hornstra recently returned from Three Hills having taken a brief course at the Prairie Bible Institute at that point.

Mr Oscar Swensen has returned home after his operation at the Holy Cross Hospital, Calgary.

Mr Fred Harvey is making good progress after passing through a period of intense pain following his operation at the General Hospital.

Mrs Fred Harvey returned from her husband's bedside on Friday. Mrs Hynyak is recovering from her illness.

Mr Albert Heikes who works for Mr Swensen was rushed to hospital in Calgary this week, where he was operated upon for gallstones.

Mr David England has been attending the Farmers Convention in Calgary this week.

Messrs Mullins and Nilsson, notified to Calgary together this week to consult a doctor and a dentist respectively.

A lantern lecture in aid of Crowfoot school library was given by Mr. R. Norwood at the schoolhouse on Thursday evening. The subject was "The Crowfoot as Illustrated by over 100 beautiful slides. In addition slides for children were shown. The attendance, the contributions and the refreshments were all good. Messrs Adolph and Fritz England again obliged with some dishes and the former with solo. It was noted to host another lantern lecture next month.

An interesting exhibit has now been added to the school room equipment. A showcase from Messrs Horrocks, Creighton and Co. Manchester or England contains samples of cotton goods in the various stages of its manufacture from the cotton seed to the finished product, the famous Horrocks flannelette.

Mrs Harry Scheer has been on the sick list this week.

Monday night was the final of the series of 50p being played at the schoolhouse. Nine tables, with winners being: Usher, Wenhilmer and Dave H. (best winning high scores) and Mrs. H. Dahn and F. Garlie low.

The school has enough money now for their decorating and Mrs May the teacher and her pupils, thank all those that helped to make the card parties both profitable and enjoyable.

Mr and Mrs McElvaine had company from Africana last week.

A number from here attended the dance at Carleton Place Friday night and spent a jolly good time.

Mr and Mrs H. Dahn entertained at a Turkey dinner last Sunday. Mr and Mrs Kernaghan, Mr and Mrs Carl Winstrom, Mr and Mrs E. Moe and W. Bradin and wife.

Mr and Mrs R. Green are at present on their honeymoon and will be at home at the groom's farm 7 miles south of Standard March 7th.

Mr. P. Harkness had a box of groceries and his new license plates stolen from his truck while in Calgary last week.

Mrs. Ditcher is under the care of Dr. Ditcher. We hope it is not as serious as reported and that she will soon be home again.

A large crowd took in the Strathmore-Gleichen hockey match and they declare it was one of the best seen in this part of the province.
